School Course Fees

If your student is participating in a course that has a required course fee, fees are due **October 31, 2019.**

Once you have created a school cash online account you can pay online or send cash or cheque payable to School District 62 to the office.

Payment of fees

All students require a school cash online account to make payments of fees, yearbook, events and workbooks. All payments will be tracked through the school cash online program.

Parents do not have to use the online banking or credit card option this program provides. The student can still make payments at the school office using cash and cheques payable to School District #62 on their account.

There is no cost to set up an account for your student. Setting the account up is a onetime process.

Thank you.

AMAZING TRAVEL OPPORTUNITY FOR STUDENTS

The Royal Bay Language department is planning another amazing trip to SPAIN for Spring Break 2021. We will fly in to Madrid and travel south for a ten day tour of Seville, Granada, Malaga and the Costa del Sol (sunshine and beach time). There are limited spots available as we would like to keep the group under 25 students. Monthly payments are available and cost includes flights, hotels, transportation and all meals except lunch. This is a fantastic opportunity for students to learn about Spanish culture and practice speaking the language. For more information about the trip, or to sign up go to:

Is your child's school on a pre-paid program?

We know you're busy, so we wanted to make ordering school photos as simple as possible. Convenience is the name of the game with Edge Imaging's pre-paid program.

On this program, parents pay for their packages before photos are taken by filling out their paper order form and returning it to the school on or before photo day. Only one photo is taken, therefore no proofs are sent home.

The pre-paid program is very common in high schools, but many elementary schools also opt for the ease and convenience that this program offers!

Students who have missed the pre-order window will receive a card at the camera with unique, secure codes on it. These codes allow you to go online to view and order your child's photo. Photos are typically available online 7-10 days after photo day.

To sign up for email notifications on when your child's photo is ready online, visit photoday.edgeimaging.ca.
