Royal Bay Leadership has started up for the 2019/2020 school year. We are currently meeting on Tuesdays and Thursdays at 8am in the Learning Commons. All students are welcome to come and participate. We are flexible and understanding of student commitments, recognizing that the early meeting times may be a challenge for some due to transportation constraints. If this is the case, and your child really wants to be a part of the leadership team, please come and see either Mr. Hobson (PE Office) or Mr. MacRae (Rm. 2108) to find out how we can make this opportunity work for you. **Are you currently working or planning on getting a job this school year? Did you know there is an opportunity to get grade 12 credits for working in a paid or volunteer position?**

In an effort to promote authentic workplace experiences, Royal Bay Secondary offers two courses, Work Experience 12A, and 12B. These optional 4 credit courses provide students with an opportunity to earn credits towards graduation.

Students who are interested can visit the Careers office by the end of September to receive the necessary information to get started.

## **Careers 9**

"Take Our Kids to Work Day takes place on **Wednesday, November 6th, 2019**."

This is an annual, national event where students.... The day involves students in Grade 9 ... spending the day in the workplace of a parent, relative, friend or volunteer host, where they experience and learn about the world of work.

Launched in 1994, Take Our Kids to Work Day is the most recognized career education event in Canada, with an estimated 200, 000 students visiting workplaces every year..."

### **Parents and Guardians**

Take Our Kids to Work Day provides parents and guardians with the opportunity to engage with their children about their education and make connections to their child's career goals. The day allows parents and guardians to begin conversations with their children about career options and to come together to explore future career pathways.

### **Where can my child go for the day?**

We encourage parents and guardians to invite their own child to spend a day on the job.

- If you are unable to host your own child, your child can still participate. Here are some suggestions:
  - Ask a relative, neighbour or family friend to host your child at his or her workplace.
  - Ask the parent of another Grade 9 student who is participating, if your child could join them for the day.
  - Contact local businesses, ask if they are hosting students for Take Our Kids to Work, and inquire if someone within their organization would be willing to host your child, providing you make the necessary transportation arrangements.
  - Contact the school, speak with the principal, career studies or co-op teacher and ask if they can assist you with finding a suitable placement.

### **Signed **Permission is REQUIRED.****

- Forms are available in the office and counselling suite. The form is also attached.

Please return the completed form to the school by **Monday, October 21st.**

For more information, please visit the Learning Partnership's website.
