## Careers Department

### Spotlight Session

<u>Date</u>	<u>Session Name</u>	<u>Presenter(s)</u>	<u>Room</u>
November 29	Veterinary Medicine	Lauren Di Ponio	1168

**Take Our Kids to Work Day occurred on November 6, 2019.**

**All Grade 9 students have an assignment to complete.**

Completed assignments are to be returned to the office. **Due Date: Friday, December 20<sup>th</sup>, 2019 for Semester 1.**

For those students who went to work with a parent/guardian, there is an Interview/Reflection assignment.

For those students who did not go to work with anyone, there is an ALTERNATE Career Search assignment.

Students who complete the ALTERNATE assignment will need to access myBlueprint.

Assignments can be accessed via the school website: <https://royalbay.web.sd62.bc.ca/departments/career-and-trades-programs/careers-9/>

**myBlueprint Information**

School District 62 and Royal Bay use the online platform myBlueprint to aid in the delivery of the Ministry of Education Careers 9-12 curriculum. **All students** are encouraged to create a profile in order to complete assignments.

Please **read through ALL** of the information below about how to log into myBlueprint.

If you have followed these steps, and you are still unable to access myBlueprint, please see Ms. ten Hove in Room 2127 during D Block.

**1) Consent:**

a. Ensure that parents/guardians have provided consent. A student **does not** have consent if they see the following when they try to log in: "PEN does not match" or spinning wheel.

The link to the 'Consent' portal is here. Follow the prompts. It will take **24 hours** after consent is provided **for activation**. After that time, students will be able to sign in to myBlueprint.

SD62 Online Consent Forms

<https://consent.sd62.bc.ca/apps/OnlineConsent>

**2) Logging in:**

a. Go to the link attached below (use Google/Google Chrome).

Select "School Account Log in" – in the green bar, middle of the screen page.

This will take students to the Sooke Potholes picture and single sign on.

Students will use their school wifi log in credentials, and if they have consent, they will be in.

The wifi login and password are what students use when they access school wifi on their phone. It should be their first name initial and their last name initial, plus four digits from their student number (ex. Jacqui tenHove: jt5564).

\*\*\* Students should not need a PEN number to sign up. If they do, it may be because they don't have parent consent. See point #1 above.
