## Instructions

### Next Year's Grade 12s: Course Selection Options

Students entering Grade 12 in September 2020 will need the following required courses:

**English Language Arts 12** (choose one option only)

**Career Life Connections 12** (delivered through Focus Blocks and regular curriculum)

**Students must choose seven (7) primary electives** and **two (2) alternates**

Students should choose a total of **eight (8) primary requests** based on the grade course requirements above; in addition students should choose **two (2) alternate requests** in case the primary elective requests chosen cannot be scheduled. Out-of-timetable courses should not be included in the course selection count of eight. Academic accommodations can be arranged, if needed, by your school counsellor. Be sure to discuss your course selection choices with your parents/guardian before finalizing.

For course descriptions and other information, please click the link below to view the Royal Bay Secondary Course Selection Guide.
