From the Admin

Royal Bay Secondary has undergone a process of formal culture building in the last year with the creation of a new crest and motto. The inclusive rainbow crosswalk initiative project is an important aspect in this process. Our goal is to ensure that all students in our school community feel welcomed and represented. The inclusive rainbow flag design incorporates the traditional pride flag, along with the trans flag and stripes for people of colour. Inclusion and creating safe spaces are key goals for our school and our district as a whole and we see this project as a direct reflection of these goals.

With hard work and collaboration (our wonderful RBSS PAC has donated \$1000) we are almost ready to start the project. Once the weather settles and painting can begin, SD 62 Facilities and RBSS students will get busy.

Like so many student lead initiatives in the school, our students want to be directly involved in the organizing, painting and publicity related to this undertaking. Including students in the process builds capacity, a sense of ownership and empowerment that can only occur when we involve students in the process.

This has been a difficult year for our students, and particularly for our grads who have been the leaders of this project. So many of the community building opportunities that we typically see at school, have not been possible. We see this project as an opportunity to provide our students with connection to a legacy project that they can feel proud of.

RBSS Theatre Performance Company and Production Crew Update

Due to COVID 19 restrictions which doesn't allow for large-scale gatherings, the Black Wing Theatre Company had to pivot their performance this year and are instead creating a documentary musical film entitled *Generation Next*. During their octa in November/December, students had the experience of recording themselves singing and then filming their singing (actually lip syncing,) dancing, and acting—which gave the actors and the production crew real life Film and TV set experience. More information on the film's release will be available in April. A big thank you to Mr. Larson who is our Director of Photography.

**Please note that these pictures were taken during Performance Company's octa where they were not required to wear masks as they were in the same cohort. As an added safety precaution, every student wore a mask when the camera wasn't rolling.*

ROYAL BAY PHYSICAL EDUCATION

The entire PE department has been hard at work having students complete the sit & reach test, a flexed arm hang, the rope climb, a 12 minute run...did we have you going there for a minute? Don't worry, those fitness tests aren't what we do at Royal Bay!. Luckily, our PE teachers have been busy focusing on what matters: having fun and getting our students active. Here's what we've been up to:

Sports Performance Basketball

led by Mr. Harrington and Mr. Steadman, has students working on their basketball skills in a fast-paced, competitive, and fun setting.

Sports Performance Volleyball

Mrs. MacKinnon has students hitting spikes, receiving serves, and working on any/all skills related to this sport in a fun and engaging environment.

Fitness & Conditioning, Multi-Sport, and Active Living

...took place with Mr. Schwertfeger and Mr. Sundher allowing our senior students to stay active and get their minds off their academics!

Finally, Mr. Hobson and Mr. Harris have been leading the charge with our grade 9 and 10 PE students. These students have been exposed to short 3 day units of activity, and were excited beyond belief to find out they didn't have time to dance this year! Don't worry, there's always next year though!!

Check out the courses we offer! In addition to **PE 9 and PE 10** (PE 10 is a graduation requirement), there are many different electives that allow students to get active daily.

Grad Corner

Grad Portrait Sitzings Retakes

February 16 and February 17, 2021

Photos Edge Imaging will be at Royal Bay Secondary February 16 and 17 to take retakes for the graduate portraits. This will be done in room 1178 (located in the Neighborhood Learning Centre) using two photographers and following strict protocols approved by the BC Centre of Disease Control.

With new COVID protocols in place, all portrait bookings will be completed on line through Edge Imaging. The sitting fee will also be paid online directly to Edge Imaging when confirming the booking as cheques and cash are not able to be collected this year. Grad gowns and stoles will be provided by Edge Imaging and will be sanitized at the end of each day. The sitting fee is \$30 and will include all proofs from the session. If students do not wish to order graduate photos but want to be included in the yearbook grad photos, a \$5 fee will be charged which will include a 5x7 composite which students will receive in their grad folders. Families who may need support with these fees are asked to contact their Vice Principal of record.

Please be advised that the photos will only be taken with individual grads. No friend photos or portraits including pets of any kind will be permitted at this time as part of the COVID protocols. Should this situation change for the better, Edge Imaging has committed to opening a session in the spring to capture friend photos.

Royal Bay staff are asking students and parents to book portrait sessions opposite to their regularly scheduled classes. Students attending class in the morning session are asked to book photos in the afternoon session and vice versa. This will allow photos to occur but not impact the limited amount of time students have to complete their scheduled classes in this octant.

Students are asked to arrive to the portrait session in a mask, sanitize before their sitting and leave the room with a mask following the photo shoot. We are fortunate to be able to continue with this tradition and appreciate your understanding in following these new protocols put in place for public health.

Book your session TODAY!

To book your Graduation Photo Session, grab your student card and go to **bookmygrad.ca**. Enter your school code and student number to get started.

Dear Students, Parents, and Guardians;

Our graduating students continue to show great resilience and determination in working to achieve their goals this year. We are proud of the students and are looking forward to celebrating their accomplishments at the end of the school year.

Although we remain under the direction of the Provincial Health Officer (PHO), we are tentatively saving the dates June 23, 24 and maybe June 25 for Commencement 2021.

We are dependent on the PHO orders, but our tentative plans for Commencement are:

Plan A – Royal Bay theatre, groups of students only (same as last year)

Plan B – Royal Bay theatre, groups of students and a set number of guests

Plan C - larger venue, students and a set number of guests

Grad fees will be \$40, which includes cap & gown, folder (grad photo, certificate), and Grad T shirt. Grad fee payment, gown size ordering, and grad comment entry will all be done online, and more information will be coming in early February.

At this point, we are not setting a date for a dinner/dance (Prom), but we will be prepared to start planning immediately if the PHO direction indicates that this type of event might be possible.

More details will be forthcoming, but we wanted to let students and families know that we are making tentative plans for Commencement and to hold June 23, 24, and 25 in their calendars.

As you know the Grad Ceremony is not likely going to be a traditional ceremony. We will endeavor to make the best of a situation that is impacting every Canadian. I am calling on the Grad Class of 2021 to elect Valedictorians to deliver a video presentation to the Graduating Class of 2021.

The nomination process is as follows:

Criteria:

1. Provide a 500-word letter outlining what leadership/volunteer work the nominee has participated in and how their work has benefited Royal Bay and/or an outside community project.

Fax: 250-478-5099

2. The nominee's teachers will be asked by RBSS admin to confirm the nomination, recognizing the student's work ethic and contributions to the classroom.
3. The Valedictorian nominations committee will consider the nominee's GPA in the selection process. Valedictorian by definition is a top academic student, and Royal Bay School Administration will limit the finalists based on academic achievement.

The completed Leadership letters are to be submitted to mlait@sd62.bc.ca by **12:00 noon Friday, February 12, 2021.**

Nominees who have fulfilled **ALL** the criteria will be notified **Wednesday, February 17, 2021.**

All nominations are subject to review by the Royal Bay School Administration.

Top nominees will provide a video speech that must include enough information to explain why they would be a great representative of the graduating class. The speeches will be shared with the graduating class, and voted on.

Thank you,

Martin Lait

Dear Parents and Guardians,

RE: Scholarship Application Support at Royal Bay

This week I was able to visit all the grade 12 classes to check in with students about scholarships and offer tips on how to get started on applying for scholarships and bursaries, as well as how to access the many supports we offer in the school. Students were sent home with a booklet of resources intended to spark some conversations at home as well. Please feel free to reach out if you have any questions.

Thank you and I hope you are doing well and keeping safe.
