## November 15 - November 19, 2021

We would like to acknowledge the traditional territories of the Coast Salish, specifically Esquimalt Nation and Songhees Nation on which Ecole Royal Bay Secondary is built, and the nations that SD62 works with, Beecher Bay SCIA'NEW Nation, T'Sou-ke Nation, and Nuuchah-nulth Pacheedaht Nation to the west.

We recognize the territory, the First Nations peoples, and thank them for sharing this beautiful land. Hych'ka – Coast Salish Kleco Kleco – Nuuchah-nulth

## **Remembrance Day Assembly**

Prior to March 2020 it was a given that all school assemblies take place in person. Although nothing replaces the power of gathering as an entire school community we have been forced to explore different ways of communicating with our student population.

One of the innovations that our media, music and drama departments have taken part in is our virtual Remembrance Day Ceremony.

On November 10<sup>th</sup> the Royal Bay community celebrated our second virtual Remembrance Day. Our entire population gathered in their individual classrooms, rose for the national anthem and participated in a community remembrance of the sacrifices other Canadians have made. Thank you to all for participating in this unconventional version of a traditional ceremony. If you would like to see this year's assembly please follow the link below.

# Around the Raven's Nest!

## the Phys. Ed Department

We remind ourselves frequently how fortunate we are to have access to such beautiful spaces: a fully equipped weight room, 2 gyms, an indoor turf space, as well as the track, grass and turf fields outside! Of course, all of those are currently jam-packed with students being active every single day. But we wouldn't have it any other way!!

PE rocks  
my socks!

### **PE 9/10 & ACTIVE LIVING**

Classes with Mr. Hobson, Mr. Harris, Ms. Torbohm and Mr. Sundher have been getting used to the hustle and bustle of daily physical activity. While students have gone through some of the typical sport offerings (Basketball, Volleyball, Badminton, Lacrosse, etc.), this year we've also introduced three new units:

- Indigenous Games
- International games from around the world (ex. Tchoukball -- see if you can pronounce that one!)
- Adapted/Modified Games (ask students about GoalBall)

### **SPORTS PERFORMANCE**

A new course, Futsal, offered this year, has students getting schooled in all the skills required to play this highly technical sport by Mr. Schwertfeger

In Volleyball, Ms. MacKinnon has been sharpening the skills of her Volleyball 11/12 students at the perfect time of year...right in the heart of volleyball season!

Our large group of Grade 9/10 junior basketball players, as well as our senior 11/12 basketball class, have gotten the opportunity to improve their skills every single day with Mr. Harrington and Mr. Sundher. Future NBA stars in the making!

### **FITNESS & CONDITIONING**

Students have been working on their own plans with teacher support (Fitness and Conditioning) or working to improve their athletic performance through weight training, as well as speed/agility training (Cross-Training). These students can't be accused of not working hard every day!

### **CROSS TRAINING**

## **From the Saanich Police Department**

Good Day,

As per last week we are continuing to work with the University of Victoria and other Stakeholders to ensure safety at the campus. Please try and remind your high-schools to avoid the University Campus. We are seeing students from all three school districts that are attending the University contrary to restrictions in place at the University. We are not wanting to have to take enforcement actions and believe that communication is key to avoiding enforcement actions. However, there will continue to be an increased police presence at the University at their request to ensure public safety.

As trusted and respected representatives of your school districts, I am asking for your assistance in disseminating this messaging to your high school students regarding unauthorized parties and gatherings at the University of Victoria (UVic).

UVic has had ongoing issues surrounding large crowds, unlawful behaviours, and general disorder on weekends throughout the Fall semester. It has come to the attention of UVic and the Saanich Police Department that many of the participants are high school students and persons from outside our local community. UVic would like to remind high school students that gathering, loitering, or congregating at non-university events by persons who are not UVic community members (students, employees, and faculty) are prohibited on all property owned or occupied by UVic. UVic has requested the proactive assistance of the Saanich Police Department to prevent a recurrence of these concerning events through the enforcement of the *Trespass Act* and other related statutes.

If you could please consider sending the above messaging to your high schools and parent groups it would be greatly appreciated. If you have any questions, please do not hesitate to contact me.

Thank you for your assistance.

## Grade 9 Immunizations

Immunization consent packages for grade 9 students will be sent home shortly. Follow the instructions inside the consent package and return the signed consent form to the school **no later than November 22, 2021**.

Students in grade 9 will be offered immunizations in school-based clinics. Please discuss the information in the consent package with your child and include them in the decision to provide consent for immunization. This is an opportunity for adolescents to start making decisions about their own health.

Immunizations will be provided at the school for grade 9 students on January 6<sup>th</sup> & 7<sup>th</sup>, 2022.

A grade 9 student can make an informed decision about immunization regardless of their parent/guardian/representative decision to consent or refuse immunization.

For more information visit HealthLinkBC: [The Infants Act, Mature Minor Consent and Immunization](#).

Contact the local Health Unit at 250-519-3490 if you have any questions.

## Ms. Andersen's Life Science 11 Classes

Students from LeAnn Andersen's Life Sciences 11 joined Elder Henry Chipps (Scianew) and Indigenous Role Model Alana Johnson at **S<sub>3</sub> ELEKTEL** (Goldstream Park) to explore the Salmon Run. The students learned about the significance of the salmon cycle and the seasonality of this place. We all enjoyed traditional foods and spending time by the campfire! A perfect day on Coast Salish territory.

### Your Portrait Session

Times may be uncertain, but you can certainly carry on the tradition of marking this accomplishment with a classic portrait! Your professional portrait session includes traditional gown and sash poses on contemporary and traditional backgrounds.

\*See fees details available online when you book your session.

### More Options

Your safety and comfort is our top priority. We're working with each school to offer options that work best in your area. Your sitting options may include: more poses, casuals and Vintage Hollywood poses. **View details on all your sitting options at [bookmygrad.ca](http://bookmygrad.ca)**

### Props

Commemorative props such as cap, gown and scroll will be provided by Edge. Students are invited to bring personal props that help to capture their high school year, such as a favourite hobby or sport. No pet or friend photos are permitted at this time.

Props and backgrounds may vary.

### Tips for a great session:

- Simplicity is best. This applies to cosmetics, hairstyles, and jewelry.
- Keep your nails neat and manicured, you'll be holding a diploma.
- A white collared shirt is ideal for under your gown and a dark tie is always timeless.

### Book your session TODAY!

To book your Graduation Photo Session, grab your student card and go to [\*\*bookmygrad.ca\*\*](http://bookmygrad.ca). Enter your school code and student number to get started.

## Take Our Kids To Work Day 2021

Traditionally, Take Our Kids To Work Day has been an event that grade 9 students participate in each November. With many work environments changed due to COVID restrictions, this year, Take Our Kids To Work Day will not run as it has before.

The Careers Department is endeavouring to offer students in all grades an opportunity to explore a variety of careers during a Careers Exploration Day in Spring 2022. Grade 9 students will be able to participate in this, and sign up to attend information sessions for careers they have an interest in. This event has run very successfully in the past, and will take the place of Take Our Kids To Work Day for the 2021-22 school year. More information will be forthcoming about Careers Exploration Day – please stay tuned.

## Hiring Youth Health Ambassadors to host conversations about youth health in your community

### Youth Health Ambassadors

McCreary Centre Society is hiring youth in Grades 8–11 to become Youth Health Ambassadors! Youth Health Ambassadors will be part of a team of youth across BC who are hosting conversations with their peers about the health issues that are important to them. Information from these conversations will ensure the health issues that are important to young people in your school and community are included in an upcoming provincial survey.

### About the position

- > We are looking for young people who are passionate about working with youth from across BC, and who want to hear from other young people in their community.
- > October 2021–March 2022, \$16.50 per hour (approximately 4 hours per month).
- > Online training and support will be provided. No experience necessary.
- > We particularly welcome Indigenous youth, LGBTQ2S+ youth, youth with a disability, youth in small communities, and visible minority youth to join.

### About McCreary

McCreary Centre Society is a BC charity. We do the BC Adolescent Health Survey with young people in Grades 7–12 every 5 years. The survey gives us a picture of what it is like to be a youth in BC today, and is used by schools, government, and others to understand and improve youth health. For example, when we last did the survey in 2018 we saw that more young people were experiencing challenges with their mental health, so we knew this had to be an area to focus more supports and resources in.
