- Very positive end to the school year with the Winter Formal, Movie night and Santa's Breakfast. Students seemed very happy with everything
- No direction yet from PHO, but preparing for functional closures to online learning

- Gentle reminders for masks and using hand sanitizing stations
- Opening the turf gym NLC, the aviary for lunch and breaks
- With all sports, practices are a go, but not spectators and no tournaments
- No assemblies. All meetings online through MStems till further notice. The districts on the South Island are tight for teachers. If 20/25% are absent, then it will not be a safe ratio for teacher and student so they could call a snow day. Still up in the air.
- Career Fair in March is still a go until told otherwise
- Concerned about grade 9-10 for students starting in September but will figure it out
- Always worried about mental health and anxiety so having Kevin Pinsonneault who is a Student Engagement Facilitator help at the school
- Gender neutral bathroom, great idea but in wrong place but will move in front of the gyms in the next 6 months
- Grade 9-10 caught vaping will have their parents called and lose vapes.
