Royal Bay Secondary had its first ever in person book fair this week. Russell Books sponsored the fair with 30% of the proceeds being given back to the school to purchase more library books.

Hundreds of staff and students attended the fair throughout the week.

The fair was a great success and we look forward to having another one again in the future.

In-person meetings can be initiated by the teacher or parent/ caregiver if they feel it is needed, and at a time that fits with the student's learning.

We have an early dismissal day on November 23, 2023.

Around the Raven's Nest!

Our R&B Band, Soul 62, performed this past weekend at 'A Night of White', a fundraiser for youth mental health initiatives in Victoria. It was held at the Delta Ocean Pointe Hotel. The band was very well received and helped make the event a huge success.

The music department held a successful bottle drive this past weekend raising just over \$4000 towards the department's trip to the Comox Valley Music Festival next Monday and Tuesday, where the Concert Bands and Concert Choir will be performing.

The Theatre Department is busy preparing for our upcoming musical production, **The Magician's Nephew**. The show will run May 8-11, 2024. As it is a new musical, students had the unique opportunity to work with composer Antony Knight who will be back to work with students throughout the year.

Theatre Production students will be attending a lighting workshop and set painting workshop with industry professionals Nic Timmenga and Kris Nuhn over the coming month.

It's that time of year again! Royal Bay Leadership students are putting on the 10,000 Tonight food drive on Wednesday, November 29th from 5:00-10:00pm. 10,000 Tonight is the Westshore's largest non-perishable food drive, where students go door to door in the community asking for food item donations, with the goal of collecting at least 10,000 in a single night. All food collected at Royal Bay is donated to the Goldstream food bank.

To make this event a success, as always, we are looking for volunteers to help sort and count at the school, and go on routes in the community. Most importantly, we rely on parents and community members to make up the drivers that take the students on these routes. If you would like to volunteer, please scan the 'QR' code below!

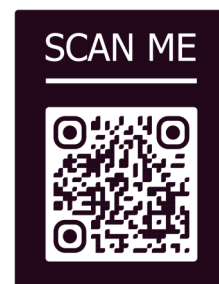

We can offer pizza, hot chocolate, and the most rewarding experience to start the holiday season. 10,000 Tonight is a fantastic way to give back to the community this holiday season, so please consider coming out to support it- you won't regret it!

If you have any questions or concerns, please email the Royal Bay leadership teachers

The Naval Experience Program

One year. Fully paid. Adventure awaits!

Who is this program for?

Not sure if the Royal Canadian Navy is for you? This is the perfect way to find out. The Naval Experience Program is for anyone seeking adventure, meaningful employment, and who is willing to try something new but only looking for a one-year commitment at this point. Think of it as a Navy "gap year" except it's fully paid and can lead to amazing career opportunities.

What is the program?

This new, one-year program is aimed at providing Canadians with exposure to the Royal Canadian Navy.

Candidates will receive or participate in:

- A general Navy onboarding period
- A four-week Naval Environmental Training Program (including Damage Control School) followed by periods at sea
- Opportunities to shadow a number of Navy jobs and exposure to a wide variety of skills both ashore and at sea
- Visits to units, ships/submarines and bases
- Opportunities for additional Navy training
- A full salary

All qualifications earned and time-in-service will count towards a future military career.

Where is it held?

Basic training takes place at a Canadian Forces Leadership and Recruiting School. The rest of the program takes place in Halifax, Nova Scotia or Esquimalt, British Columbia, and participants can make their coastal preference known early in the application process. Participants will have free accommodations with meals included (taxable benefit).

When?

The Naval Experience Program is offered continuously. There are no cut-off dates, and applicants can begin the program year-round.

Why?

Unlike other entry plans, the Naval Experience Program gives participants the opportunity to shadow a variety of Navy jobs before applying for a trade.

At the end of the program, participants will have the choice to continue serving in the Navy (full or part-time), transfer to another element, or leave the Navy, no strings attached.

For those who choose to stay, they will apply for a trade based on their preference and qualifications, and for those who choose to leave, they'll get an amazing experience and something great to put on their resume.

One year. Fully paid. Adventure awaits!

Scan the QR code for more information.

Canada

Are You Interested In Trades?

The Trades Awareness (TASK) is a "hands on" program and is offered in partnership with Camosun College. TASK exposes interested students to various construction and mechanical trades as they explore units in carpentry, electrical, plumbing and metal trades. The program also provides students with industry certifications such as:

- First Aid
- Safety Star
- WHIMIS
- Fall Arrest

Work experience is also a key component of the TASK Program and gives students an opportunity to develop employability skills which may lead to a paid job and an apprenticeship. Classes and training will take place at Royal Bay Secondary School, Camosun College and off-site depending on the projects.

Applications now available in the Career Commons.
