TASK Update!

Congratulations to Kyan B. on realizing his goal of starting his Carpentry Apprenticeship. Kyan is graduating this year, and is already starting his path on becoming a Red Seal Carpenter. Kyan participated in the RBSS TASK program last year, learning skills and creating connections that have allowed him to transition in the work force and apprenticeship programs in his grade 12 year. Below is a picture of Kyan on the jobsite working alongside his father Chris. We are super proud of Kyan working to achieve his goals!

Attached is a brief description of the TASK program should this inspire more students to enroll in the RBSS TASK program for the upcoming semester.

Naomi El-Nahas is École Royal Bay Secondary's recipient of the Governor General's Academic Medal for 2022/2023.

Naomi graduated with last year with an incredible 4.0 GPA and academic record. Aside from being a very strong and engaged student Naomi is also a committed citizen of our communities, both in school and locally. Naomi was known for her exceptional work ethic during her time at Royal Bay. She was dedicated to helping others in and out of the school environment, being a piano teacher at JDF since she was 13 and volunteering within the Japanese community.

Naomi is currently attending the University of British Columbia, navigating her first year in Post-Secondary in General Sciences. Aside from earning the Governor General's Academic Medal, Naomi was also the recipient of several academic scholarships through UBC and other agencies.

We would like to acknowledge all the hard work and dedication to her education that Naomi demonstrated over her time at Royal Bay. We are proud to call her one of our own and wish her luck as she continues her education at UBC.

Attention Grade 11 & 12's!

If you're interested in a career in trades...WE HAVE THE PROGRAM FOR YOU!!!

TASK (Trades Awareness Skill & Knowledge) will help you make an informed decision about which trade would be the best fit for you. TASK is a "hands on" program in partnership with Camosun College that focuses on four trade areas: **carpentry, metal trades, electrical and plumbing**. Students will get practical experience building a variety of projects such as; Sheds, Car Ports, Garages, etc. Upon successful completion of the Trades Awareness Program, students will receive Industry Training Authority (ITA) C.O.R.E. certification from Camosun College. To ensure students are "job ready", students will also take entry-level industry certifications and go out on a work placement for two weeks. This program is one full semester and will give students up to 28 high school credits. Please contact Ms. Phillips or Mr. Huck, or your councilor if interested.

The TASK Program has been very successful since coming to the SD 62 high schools several years ago. A large amount of our students have successfully transitioned straight from this program into local industry jobs, often earning ITA apprenticeships, full time employment and post-secondary training at Camosun subsidized by the school district.

This year more than any other might be the right time to make this decision. If you're interested, please connect with Ms. Phillips tphillips@sd62.bc.ca or connect with their school counsellor. This is a fantastic program – don't miss out on an opportunity that be life changing!

From the Admin con't

10,000 Tonight

École Royal Bay would like to thank the our Leadership students and staff, the many volunteer drivers, collectors, sorters and counter to help us achieve our goal of 10 000 food items collected in one night. Last night was incredible! Our students came out in force and fully put their energy into supporting our community. Through their initiative, school and community engagement **Royal Bay was able to collect more than 20,000 food items- well surpassing the goal of 10,000 food items.** Students, parents, and staff canvased our community and went door to door collecting items for the local food banks. It was amazing to witness the energy, smiles and sense of community that warmed the night. Students spent the evening collecting, sorting and preparing packages for delivery to the local food banks. Royal Bay has done this every year since we opened in 2015. 10,000 Tonight has become an event that we as a school look forward to each year. Our students do an incredible job representing the school, the communities and their families. We are still counting and will have a final tally next week. The RBSS 10,000 tonight evening was a huge success – it truly showed the Raven Spirit and how as a collective we can accomplish great things. We are very proud of our student.

From the Admin con't

As we cruise into **December**, the students and staff at École Royal Bay Secondary would like you to be aware of some upcoming events for our school community.

RBSS is incredibly proud of our **Fine Arts Department (FAD)**. Students and staff can always be counted on to put on amazing performances. The FAD is busy putting together shows and events for students, staff and visitors over the next couple of weeks .

- December 7 Music Program's Winter Concert @ 7pm
- December 19 and 20 Dance Academy Winter Dance Performances @ 7:00 pm
- December 6 Annual District Academies Showcase performance with Dunsmuir Dance Academy in support of Goldstream Food Bank @ RBSS

Our **Athletics programs** are back in action. So far we have had great showings from our soccer and volleyball teams and Lacrosse Academies. In fact our Boy's Senior Soccer AAA team finished 2nd in the Province this past weekend in Burnaby – an incredible achievement! Basketball is also well underway, as are drop in Rugby skill sessions. We have also had representation in several individual athletic pursuits like golf, swimming, wrestling and skiing.

- Basketball Referee Clinic – November 25 from 8 am – 3 pm
- Battle of the Bay Basketball Tournament @ RBSS – November 30, December 1 & 2 at RBSS
- Lacrosse trips to Denver and Seattle
- Lacrosse Alumni Game December 20 @ 3:30 pm

Grad Events

- Our Grade 12 Grad Class of 2023 will have a Winter Formal Event on December 21 from 5:30 to 9:30 pm
- Butchart Gardens – December 8
- Krispy Cream Fundraiser – November 21 – December 8

School Events

- 10,000 Tonight November 29 5 – 9 pm (Super Successful 20,000 plus items collected!)
- Grade 10 Careers Symposium November 30 – afternoon
- Santa's Breakfast December 22 starting at 8:00 am

We are looking forward a positive and busy three weeks until the Holiday Break!

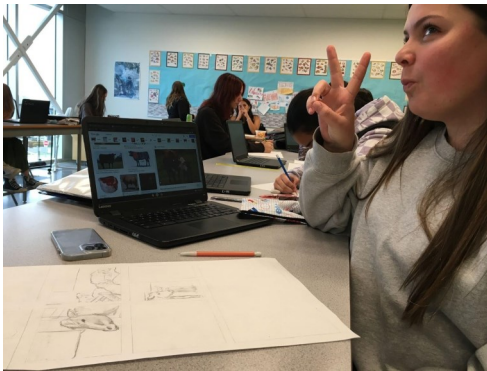

Around the Raven's Nest!

Culinary Arts Students have been busy preparing tasty and nutritious lunches for school.

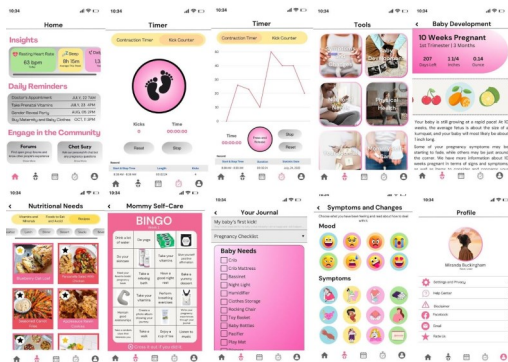

Senior Food Studies students recently finished designing new food products and packaging.

Grade 9 Home Economics classes have been designing comics on ethical issues related to food.

Textiles students have been sewing aprons, shakets and creating costumes for the upcoming theatre production.

Family Studies students have been designing products and services for those considering parenting.

The Garden Club has been harvesting food and helping to winterize the beds this fall.

Grade 10 Girls Volleyball

Thank you to the Royal Bay family for all the support and encouragement this year for our team. The girls had a fantastic time in Surrey last weekend competing in the BC championships. They came 24th in the tournament, losing some very close games in the second day. overall it was an immensely successful season for this team. Thank you once again to our sponsors for the new uniforms. See you next season!

Thank You to our Sponsors

The Royal Bay athletics department is beginning a new recognition tradition where we are going to honour junior and senior athletes of the month. These athletes demonstrate commitment, hard work, leadership, and consistent performance in their sport. All athletes have been nominated and chosen by the staff from our athletics programs. This month we would like to recognize:

Easton M.

Easton began the difficult task of pulling double duty to start off the school year as a member of both the Senior Boys Soccer and Junior Boys Volleyball teams. Fortunately, he was able to handle the workload, being named a captain of the volleyball team and was a key contributor playing with and against older students in soccer.

Farrah R.

Farrah, the libero for the Junior Girls volleyball team, was steady in her dedication, attitude, and effort for the girls volleyball team. Well done Farrah!

Mya W.

Mya started off the school year with a bang, accepting a scholarship to play basketball for UNBC! However, where she earned this honour was through her hard work, commitment, and solid teamwork on the volleyball court. Congrats Mya!!

Matteo S.

Captain of the Senior Boys Volleyball team, Matteo earned this award through his persistent dedication, leadership, and amazingly positive attitude. Early on it was clear what the team's motto was: when in doubt, set Matteo!

**ATHLETES
OF THE
MONTH**
SEPTEMBER

LEVI V.

Levi consistently shows up with a positive mindset and strong work ethic. He has had a leadership impact already in the lacrosse academy by taking classmates under his wing and teaching them all about face-off techniques and tactics. Levi helps with field set-up and take-down almost every class, without being asked. Levi has competed in several cross-country races with the Ravens. Levi placed 10th at the island finals race and successfully qualified for provincials!

HARLYN B.

Harlyn has been an outstanding leader and attacker over the course of the Grade 9 girls volleyball season. She played a huge role in helping lead the girls to the league finals and a fantastic end result, capturing a 3rd consecutive league championship. She's an outstanding teammate, volleyball player and community member. Well done Harlyn!

ATHLETES OF THE MONTH OCTOBER

GRAYSON M.

Grayson recently officially committed to attending the University of Denver to play D1 Lacrosse. Grayson is always improving, both athletically and as a leader. He constantly spends time on his own at the field, and encourages others to join him. He works hard no matter what and is focused on doing so in the classroom as well. Grayson is committed to helping others hone their skills and is the consummate team player, always setting the tone in practice and in games. Congrats Grayson!

MACKENZIE W.

As captain and starting setter for the Senior Girls Volleyball team, Kenzie shoulders a lot of responsibility. Fortunately, she thrives in these roles and demonstrates all the qualities you would want in a role model: kindness, respect, inclusivity, and commitment. She managed to overcome a tricky injury to help lead her team to the Island Championships and was valued as much for her skill on the court as she was for her leadership off it. Well done Kenz!

Careers Department

The Naval Experience Program

One year. Fully paid. Adventure awaits!

Who is this program for?

Not sure if the Royal Canadian Navy is for you? This is the perfect way to find out. The Naval Experience Program is for anyone seeking adventure, meaningful employment, and who is willing to try something new but only looking for a one-year commitment at this point. Think of it as a Navy "gap year" except it's fully paid and can lead to amazing career opportunities.

What is the program?

This new, one-year program is aimed at providing Canadians with exposure to the Royal Canadian Navy.

Candidates will receive or participate in:

- A general Navy onboarding period
- A four-week Naval Environmental Training Program (including Damage Control School) followed by periods at sea
- Opportunities to shadow a number of Navy jobs and exposure to a wide variety of skills both ashore and at sea
- Visits to units, ships/submarines and bases
- Opportunities for additional Navy training
- A full salary

All qualifications earned and time-in-service will count towards a future military career.

Where is it held?

Basic training takes place at a Canadian Forces Leadership and Recruiting School. The rest of the program takes place in Halifax, Nova Scotia or Esquimalt, British Columbia, and participants can make their coastal preference known early in the application process. Participants will have free accommodations with meals included (taxable benefit).

When?

The Naval Experience Program is offered continuously. There are no cut-off dates, and applicants can begin the program year-round.

Why?

Unlike other entry plans, the Naval Experience Program gives participants the opportunity to shadow a variety of Navy jobs before applying for a trade.

At the end of the program, participants will have the choice to continue serving in the Navy (full or part-time), transfer to another element, or leave the Navy, no strings attached.

For those who choose to stay, they will apply for a trade based on their preference and qualifications, and for those who choose to leave, they'll get an amazing experience and something great to put on their resume.

One year. Fully paid. Adventure awaits!

Scan the QR code for more information.

Are You Interested In Trades?

The Trades Awareness (TASK) is a "hands on" program and is offered in partnership with Camosun College. TASK exposes interested students to various construction and mechanical trades as they explore units in carpentry, electrical, plumbing and metal trades. The program also provides students with industry certifications such as:

- First Aid
- Safety Star
- WHIMIS
- Fall Arrest

Work experience is also a key component of the TASK Program and gives students an opportunity to develop employability skills which may lead to a paid job and an apprenticeship. Classes and training will take place at Royal Bay Secondary School, Camosun College and off-site depending on the projects.

Applications now available in the Career Commons.

ADULTING 101: PERSONAL FINANCE FOR STUDENTS PREPARING FOR COLLEGE & UNIVERSITY

A Zoom-based financial literacy workshop for grade 10-12 students from UVic's Gustavson School of Business

Surveys routinely show Canadians struggle with their finances—over half are within \$200 of not being able to cover their bills and debt payments.

High school and university students in Canada particularly face struggles. Rising student debt, increasing housing costs, and surging inflation are barriers to success for students from Canada and abroad. *Generation Z* not only faces the burdens of climate change, the pandemic, and global uncertainty—but costs alone are a barrier to progress in careers and life.

So, how can students prepare for the costs of “adulting” and identify opportunities while at university?

The Gustavson School of Business at UVic invites all grade 10-12 students to join a free financial literacy workshop. Dr. Michael King leads this interactive session for students to strengthen and prepare their financial footing to enter university life. This workshop will give you a taste of Gustavson and finance through a fun and engaging session.

This workshop is a good fit if one or more of these apply to you:

- You are in grades 10-12
- You want to take responsibility for your financial life, starting with mobile banking and day-to-day spending, and are curious about where to start.
- You have questions about your credit score and how it is used to evaluate you for: mobile phone, credit card, apartment rental, summer job, car loan, and much more.
- You want to build up savings and start investing in stocks, bonds, ETFs...
- You are interested in what a university class might be like

The workshop will be delivered on Zoom on **December 12th and 13th**.
