

# Reminder Grade 9 & 10 Immunizations

Recently, immunization consent packages for grade 9 students were sent home from the school. If you have not already done so, discuss the information in the consent package with your child and include them in the decision to provide consent for immunization. Please return the completed consent form to the school in a sealed envelope as soon as possible.

Immunizations will be provided at the school for grade 9 students on **Feb 13 and 14, 2024**.

Grade 9 students can make an informed decision about immunization regardless of their parent/guardian/representative decision to consent or refuse immunization.

For more information visit HealthLinkBC: [The Infants Act, Mature Minor Consent and Immunization](#).

Public Health will be offering catch-up immunizations to **Grade 10** students who missed their Grade 9 immunizations in the 2022-2023 school year. Only students who have a paper consent form signed by their parent/guardian/representative from the 2022-2023 school year (Grade 9) will be offered immunizations.
