Dear RBSS Parents and Guardians & Bonjour tout le monde,

As noted in the Weekly Raven's Nest, our school will be participating in a Lockdown Drill Thursday March 7 at 11:00am. We do not evacuate the building during this drill.

Lockdown Drills are conducted once annually in schools. Teachers prepare students for these and other drills in a variety of age-appropriate ways in classrooms, and students learn a lot from these experiences.

Lockdowns are for threats inside of our school building and could include an intruder.

IMPORTANT REMINDERS FOR PARENTS:

PLEASE SIGN YOUR CHILD IN AND OUT IF ARRIVING LATE OR LEAVING EARLY- We bring this clipboard out with us during drills to have back-up information available in the event that a student is not with their class at the time of an evacuation.

PLEASE UPDATE EMERGENCY PICK-UP LISTS IF NECESSARY: In the event of a real evacuation, students can only be released to individuals listed on the **Student Emergency Release Form** that was sent home early September with your student. If you believe that there are any updates needed, please contact the front office by email at royalbay@sd62.bc.ca

If you have any questions about Lockdown drills, or other drills, please feel free to reach out to Mr. Dube, VP RBSS.

If you wish to discuss your child's personal needs during these drills, please connect with Mr. Dube at rdube@sd62.bc.ca.

Have a great evening & Bonne ~~soirée~~ journée!

Ryan Dube
Vice Principal, École Royal Bay Secondary School

Naloxone Training

Our school hosted a series of learning sessions related to preventing and responding to a drug related overdose. We appreciate this is just one example of an evidence-backed approach to helping young people develop the knowledge and skills they need to survive and thrive in our world. If you're looking for some ideas and related resources for talking about substance use with your children, [this resource](#) can help. Included are a list of recommended organizations that you and/or your child might find helpful.

Grade 9 Immunizations

Public Health Nurses will be back at Royal Bay on Feb 29 to offer immunizations to students who missed the initial two days.

Please call the West Shore Health Unit at 250-519-3490 if you would like to speak to a Public Health Nurse about your child's immunizations.

The Naval Experience Program

One year. Fully paid. Adventure awaits!

Who is this program for?

Not sure if the Royal Canadian Navy is for you? This is the perfect way to find out. The Naval Experience Program is for anyone seeking adventure, meaningful employment, and who is willing to try something new but only looking for a one-year commitment at this point. Think of it as a Navy "gap year" except it's fully paid and can lead to amazing career opportunities.

What is the program?

This new, one-year program is aimed at providing Canadians with exposure to the Royal Canadian Navy.

Candidates will receive or participate in:

- A general Navy onboarding period
- A four-week Naval Environmental Training Program (including Damage Control School) followed by periods at sea
- Opportunities to shadow a number of Navy jobs and exposure to a wide variety of skills both ashore and at sea
- Visits to units, ships/submarines and bases
- Opportunities for additional Navy training
- A full salary

All qualifications earned and time-in-service will count towards a future military career.

Where is it held?

Basic training takes place at a Canadian Forces Leadership and Recruiting School. The rest of the program takes place in Halifax, Nova Scotia or Esquimalt, British Columbia, and participants can make their coastal preference known early in the application process. Participants will have free accommodations with meals included (taxable benefit).

When?

The Naval Experience Program is offered continuously. There are no cut-off dates, and applicants can begin the program year-round.

Why?

Unlike other entry plans, the Naval Experience Program gives participants the opportunity to shadow a variety of Navy jobs before applying for a trade.

At the end of the program, participants will have the choice to continue serving in the Navy (full or part-time), transfer to another element, or leave the Navy, no strings attached.

For those who choose to stay, they will apply for a trade based on their preference and qualifications, and for those who choose to leave, they'll get an amazing experience and something great to put on their resume.

One year. Fully paid. Adventure awaits!
