

Artona grad photos

We are pleased to offer a mobile studio to the students At Royal Bay, which will be located in the far end of the student parking lot

A \$60.00 deposit is required to book your grad photo time slot. When you order your grad pictures, this amount is fully deducted from your order. If, after seeing your proofs, you choose not to order photos, there is a link on our website to request a full refund of the \$60.00 deposit paid. You have 90 days to order from your photo session, and with ordering online, your deposit is automatically applied.

If you would like a refund for your deposit, please [submit a request online](#) within 30 days of your session. Any requests submitted after 30 days of the grad session will not be eligible for refund.

If your child is just getting a picture for the yearbook and grad composite, there will be times available in January to do that. These sessions, in December, are for students who want a full session with more time allocated and multiple poses.

If there is no credit card available, (for any reason, often its a student doing the booking instead of the parent), simply reach out to us directly, (or via the school) with student full name and student number and we can create a code to bypass the requirement. (usually 24-36 hour turnaround time required)

If there are some families where grad pictures are just too much, and there are some in every school, Artona provides each school a pre-determined quantity financial aid packages and will work with the administration on those families that apply. An application is available on line for assistance, <https://www.blog.artona.com/financial-aid-application> . This is done in confidence and can be filled out by the family, or often a school councillor will submit on their behalf. Requests take about a week to process and the code is required to book the appointment, so planning in advance is required for this. This will get them a complimentary package or download, whichever is their preference.

Booking can be made at either: <https://artona.com/bookings>

or by scanning this code:

Cheers
Andrew Aitchison
