November 17-28, 2025

With gratitude and respect, we acknowledge that we live, learn, and work on the traditional territories of the SĆÍĀNEW Nation and the Lək̓ʷəŋən peoples of Songhees and Esquimalt Nations, specifically the Teechamista village site. We also recognize that our district's schools also sit on the traditional territories of the T'Sou-ke Nation and the Nuu-chah-nulth: Paaʔčiidʔath (Pacheedaht) Nation, and that some are located on the traditional territories of the MÁLEXEĪ (Malahat) Nation.

From the ADMIN

Hello Students, Parents, and Caregivers,

Last week, our school honored Veterans Week and Indigenous Veterans Day (Saturday, November 8) through a variety of school-wide activities. On Monday, November 10, we held a special assembly in the theatre, which was livestreamed for the entire school community.

The assembly featured outstanding performances by our choir classes and support from several of our students who serve as cadets. We were also privileged to welcome a guest Veteran speaker, who shared meaningful experiences from their peace-keeping missions. These events remind us of the importance of honoring those who have served and continuing to learn from their experiences.

We are excited to connect with students, parents, and caregivers during Student Learning Conferences on Thursday, November 20. In addition, report cards will be available today by 4pm. If you have any questions about your child's class reports, please reach out directly to their teachers.

Thank you for partnering with us to create a learning environment that values respect, service, and community. We appreciate your ongoing support and look forward to seeing you soon.

Thank you,
ÉRBSS Admin Team

Health Info

As we spend more time indoors during the cooler months, communities often see an increase in various communicable diseases and our schools are no different.

The BC Centre for Disease Control has shared a [Quick Guide to Common Childhood Diseases](#), which includes helpful information about:

- * How infections are spread
- * Healthy habits to prevent illness
- * Ways to stop the spread of infections
- * Common childhood diseases

Under B.C.'s *Freedom of Information and Protection of Privacy Act*, schools cannot disclose or confirm any information that could identify individuals or school communities unless authorized by law or directed to do so by public health authorities under the *Public Health Act*. Island Health determines when, what, and to whom information about communicable diseases or outbreaks should be shared. If Island Health directs us to notify families, we will distribute the information they provide to the specific groups they identify immediately. For more information:

[Communicable Disease Prevention & Control | Island Health](#).

REMINDER

return GR 9 Immunization Packages
that were handed out to students

Immunizations are scheduled for
December 2 & 3rd @Royal Bay Secondary

Attendance

Regular attendance is crucial for student success, and we ask that students, families, and caregivers make a plan that has their student arriving on time. The welcome bell is at 8:55 and students should be in the building at that time; this will help students be in or close to their first class of the day for a 9am start.

The attendance reports are being sent out daily. The new system will not tell you which student in your household had a absent.

For the 2025/26 school year, secondary schools are now using MyEd BC exclusively to report student absences to the parent/ guardian contact on file. We are no longer using the previous software.

The former outdated software system, while providing more detailed notifications, required complex technical fixes had become cost prohibitive. Given that this service pulled attendance data from MyEd, it essentially served as a “middle layer” to the same information. As a public school district, we have a responsibility to prioritize spending on classroom instruction and student supports. This change ensures resources stay focused on learning rather than duplicating information already available through MyEd.

With the new process, you will still receive a notification if your child(ren) is marked absent for one or more blocks. However, it will no longer specify which block(s) were missed. You can view detailed absence information in real time by logging into your MyEd Parent Portal.

We understand this adds a small extra step, and MyEd is an important tool all parents and guardians should be familiar with.

Please note that daily absence notifications are a courtesy service at the secondary level. Under the School Act, schools are only required to report attendance formally through progress reports and report cards. These daily notices are intended to support families in promoting regular attendance and student success.

If you need help accessing MyEd or logging in, we’re happy to assist. Thank you for your understanding as we continue to keep communication efficient and our focus on supporting classrooms.

ÉRBSS PAC Corner

Parent Advisory Council (PAC) Meetings!

What is a PAC?

Under the School Act, parents can share input through Parent Advisory Councils (PACs) — the official voice of parents at each school.

PACs help:

- Advise school staff and boards
- Share information with parents
- Support school activities
- Discuss concerns and ideas

PACs reflect their communities and work to benefit all students. All parents and guardians of students at our school are members of the PAC and are encouraged to participate in PAC meetings and PAC hosted events!

.....

Upcoming PAC meetings for 2025-26:

2025:
Dec 2 (NEW DATE)

2026:
Jan 7 Feb 4 Mar 4
Apr 1 May 6 June 3

2025-26 PAC Executives!

President: Sahye Guandique Cummings

Vice President: Kristen Manieri

Treasurer: Melissa Da Silva

Secretary: Tara Campbell

SPEAC Rep: Allison Hyatt

UPCOMING:
Next PAC Meeting Update

Please note that our next PAC meeting has been rescheduled to Monday, December 2, to avoid a conflict with 10,000 Tonight. We look forward to seeing everyone then!

Upcoming Bake Sale

Our next PAC Bake Sale will be held on Thursday, January 23, 2026. Thank you for your continued support — we look forward to another sweet success!

SD62 Career Education

November 2025

EMCS Metal TASK teacher Ben Haber and District Career Education Lead Brian Hotovy presenting at the Canadian Welder's Bureau teacher's conference October 2025

Upcoming Events

Take Our Kids to Work Day

November 5th

A national event where Grade 9 students spend a day at the workplace of a parent, relative, or volunteer host to explore career options and gain a better understanding of the working world.

Provincial Careers Week

November 24 - 28

A province-wide initiative that celebrates career education by connecting students with diverse career pathways through events, resources, and community partnerships to help them explore future opportunities and make informed decisions about their careers.

Indigenous Learners' Day at Camosun College

November 26th

A hands-on event for Grade 11 and 12 students from South Island school districts, offering interactive sessions in trades, technology, health, and Indigenous education to explore post-secondary pathways and celebrate Indigenous culture and learning.

HIGHLIGHT

Health X and ELC Day

50+ secondary students from across our high schools participated in a Camosun/South Island Partnership sponsored tour and info session. Pathways in health care and early childhood education including early learning and care, nursing and allied health fields were explored.

HIGHLIGHT

Parents as Education and Career Coaches

On October 29, families from across our region participated in a virtual workshop hosted by EducationPlannerBC. The session was designed to help parents of students in Grades 10-12 support their children in planning for post-secondary education and future careers.

HIGHLIGHT

Canadian Welder's Bureau (CWB) Teacher Conference

Brian Hotovy, District Career Lead, and Ben Haber, EMCS Metal TASK teacher, proudly represented our district at the CWB Teacher Conference in October. Their presentation highlighted the outstanding success of our metal classes and trades program, showcasing the innovative work happening in our schools and the positive impact on student learning and career readiness.

STUDENT SPOTLIGHT

KYRIN

Kyrin began his journey in the Auto TASK program right here at Belmont, where he quickly stood out for his strong work ethic. After completing the program, he secured a work placement, which led to a permanent job — and he began logging his apprenticeship hours with Skilled Trades BC through our Youth Work in Trades program.

His ambition didn't stop there. Kyrin applied for the Federal Student Work Experience Program (FSWEP) and was selected for a full-time summer position at the Fleet Maintenance Facility. Through this opportunity, he gained even more hands-on experience and completed enough hours to qualify for an Electrical Level 1 sponsored seat through our Youth Train in Trades program at Camosun College, where he was accepted!

What an incredible journey — from high school training to full-time work and now heading to post-secondary next year. Kyrin is well on his way to a thriving career in the trades.

Congratulations, Kyrin! We are so proud of you!!!

Careers Department

November

- 4 - Presentaton to the **Indigenous Education Council** - Dual credit pathways to teacher education for First Nations students
- 4 - **Health Career Sampler and Care Economy Career course** - BAA presentation to Education Policy Committee
- 5 - **Grade 9 Take Our Kids to Work Day** - Community sponsors - Westshore RCMP, Sooke School District and Westshore Parks and Recreation
- 17 & 18 - **Career Education Society Conference** - This annual event brings together educators and career professionals in BC to share ideas, resources, and strategies for helping students explore and prepare for future career paths.
- 21 - **South Island Partnership Pro D Day Offerings**- Teacher professional development opportunities at Camosun College
- 24-28 - **Career Week** - is a province-wide initiative held each November to celebrate and promote career education, helping students explore diverse career pathways and prepare for their futures through engaging activities, resources, and community partnerships.
- 26 - **Indigenous Learners' Day** - is a hands-on, full-day event for Grade 11 and 12 students from South Island Partnership districts, offering interactive rotations through trades, technology, health, nautical, and Indigenous education programs to explore post-secondary pathways in a culturally supportive environment.

December

- 4 - **Junior Achievement BC TechWorks** - a province-wide program that connects B.C. students with tech-enabled career pathways through interactive sessions, industry panels, and curriculum-aligned resources, with a strong focus on accessibility and inclusion. Featured companies include [BRNKL](#) and [Open Ocean Robotics](#).

January

- 13 & 14 - **Find Your Fit** @ Spencer Middle School - a hands-on career exploration event by WorkBC that allows students to discover and try out a variety of in-demand jobs through interactive stations and activities.

Help Clean Up Colwood—One Piece of Litter at a Time!

PICK Colwood (Promoting Involvement for Community Kleanup) is all about rolling up our sleeves to keep Colwood cleaner—and smarter. We don't just pick up litter, we collect data too. Knowing what's being tossed, and where, helps us tackle the problem at its source.

Join us if you:

- Want to make a visible difference in your community
- Think turning trash into knowledge is pretty cool
- Believe change starts with awareness
- Enjoy fresh air, light exercise, and friendly faces
- Care about protecting local wildlife and the environment

We'll bring the supplies and encouragement—you bring yourself. Whether you join often or only once in a while, every bit of effort matters.

Curious about what's really ending up on our streets? Come find out—with us!

Area to be Picked: Metchosin from Pelican to Briarwood

When: Saturday, Nov 22, 2025

10:00 am - noon

Where: Meet at the junction of Metchosin and Pelican

Science and Math Peer Tutoring Schedule

Below are the peer tutoring locations and times for the REST of the YEAR.

Peer tutoring will focus on help with Math and Science classes. Grade 12 class help may be limited due to students taking those course themselves. FRIMM Math and Science help may also be available.

If no peer tutors are available; sessions will be cancelled

Monday

LUNCH

In room 3143 (that's the last classroom at the end of the hall in the new wing by the turf gym window)

Tuesday

LUNCH

In room 3143 (that's the last classroom at the end of the hall in the new wing by the turf gym window)

Wednesday

LUNCH

In room 3143 (that's the last classroom at the end of the hall in the new wing by the turf gym window)

Thursday

3:30 - 4:30

Room 3127 (last room by the hot green stairwell, with the pillar with stickers on it)

*After school is from 3:30 - 4:30. Students will need to be picked up or make their own way home promptly, as teacher supervisors have outside school commitments.

***Students who wish to be tutored in Science and Math (English and French) subjects are welcome to attend at any time. The focus will be on offering help to those in Grade 9 and 10 with some availability for upper-level classes. Students need to be prepared and well behaved. Poor behaviour or pressuring tutors to do the work for the student may result in being asked to leave (frank conversations will happen first, of course)**

For more information, please email Mrs. Vink: svink@sd62.bc.ca
