With gratitude and respect, we acknowledge that we live, learn, and work on the traditional territories of the SCÍÁNEW Nation and the Ləkʷəŋən peoples of Songhees and Esquimalt Nations, specifically the Teechamista village site. We also recognize that our district's schools also sit on the traditional territories of the T'Sou-ke Nation and the Nuu-chah-nulth: Paaʔčiidʔath (Pacheedaht) Nation, and that some are located on the traditional territories of the MÁLEXEŁ (Malahat) Nation.

From the ADMIN

Dear Students, Families, and Caregivers,

It is often difficult to find words during weeks like this, but our thoughts and hearts are with the staff, students, and families in SD569 and the Community of Tumbler Ridge this week. You will notice that our flags are at half-mast out of respect for that community.

We know that members of our own school communities may need additional care and reassurance, and we also know that it can be hard to know how to reassure others when we ourselves are trying to make sense and process the incident. Please encourage any students needing support to see their Counsellors, and the PVP team is also here to support as needed. Superintendent Paul Block has also shared [public messaging](#) on our district website, as well as information about [supporting our school communities through difficult times](#).

We hope that everyone has some time this long weekend to spend time with loved ones and to take care of themselves and one another.

Take care,

Melissa (Principal), and Rob, Michelle, and Martin (Vice Principals)

Random Acts of Kindness Day is Feb 17—Let's Keep it Going!

Join us on February 18 for a community litter pick and turn kindness into action for our community and environment.

PICK Colwood (Promoting Involvement for Community Kleanup) works to clean up our community while also tracking what we find.

Collecting data alongside litter helps us understand patterns, problem areas, and opportunities to prevent litter before it starts.

Join us if you:

- Want to make a real impact in your community
- Like the idea of turning trash into useful data
- Believe that awareness is the first step to change
- Enjoy fresh air, light exercise, and good company
- Care about local wildlife and the environment

We'll provide supplies, encouragement, and all the support you need. Whether you can pitch in regularly or just now and then, every effort counts!

Curious about what's really littering our streets?
Let's find out—together!

When: Wednesday, February 18, 2026

10:00 am – noon

Where: CRD parking lot at Aldeane and Sooke Rd

Starting university is a major milestone for learners and the supporters who encourage them along the way. This virtual information session is designed to help parents and supporters better understand the [first-year undergraduate experience](#) at Royal Roads University.

Learn what students can expect in their first year, how Royal Roads' learning model supports student success, and what wellbeing, academic, and community supports are available.

You'll also gain practical insight into how you can encourage resilience, independence, and confidence during this important transition.

This session will be facilitated by [Dr. Kathleen Manion](#), whose research and passion is focused on youth wellbeing.

All registered attendees will receive an application fee waiver code, so learners can apply for FREE!

Learners, parents and supporters are all welcome.

Science and Math Peer Tutoring Schedule

Below are the peer tutoring locations and times for the REST of the YEAR.

Peer tutoring will focus on help with Math and Science classes. Grade 12 class help may be limited due to students taking those course themselves. FRIMM Math and Science help may also be available.

If no peer tutors are available; sessions will be cancelled

Monday

LUNCH

In room 3143 (thats the last classroom at the end of the hall in the new wing by the turf gym window)

Tuesday

LUNCH

In room 3143 (thats the last classroom at the end of the hall in the new wing by the turf gym window)

Wednesday

LUNCH

In room 3143 (thats the last classroom at the end of the hall in the new wing by the turf gym window)

Thursday

3:30 – 4:30

Room 3127 (last room by the hot green stairwell, with the pillar with stickers on it).

*After school is from 3:30 - 4:30. Students will need to be picked up or make their own way home promptly, as teacher supervisors have outside school commitments.

Students who wish to be tutored in Science and Math (English and French) subjects are welcome to attend at any time. The focus will be on offering help to those in Grade 9 and 10 with some availability for upper-level classes. Students need to be prepared and well behaved. Poor behaviour or pressuring tutors to do the work for the student may result in being asked to leave (frank conversations will happen first, of course)
