- Upon entering, students and their guest may be searched and may be asked to take a breathalyzer. If they are found to have banned substances, or are under the influence of drugs or alcohol, they will be denied entry to the event (along with their guest, if they have one).
- If a guest is approved, the behavior of the guest is the responsibility of the graduate sponsor. If the guest is asked to leave the carnival, the graduate sponsor must leave as well. We allow one approved guest per graduating student.
