FAQ

1. My password isn't working for Brightspace. What do I do?

Try an old password if you have one, as sometimes the sd62 password is different than your learns account password.

Password Reset

See Ms. Campbell in the Learning Commons.

or

Self-serve at <https://student-selfserve.sd62.bc.ca/>

You will need your student number and phone number/email address combination for your "Contact 1" in Myed.

Note: You will need to log into a district computer once after a reset to change to your new password.

2. How long do I have to complete my course?

Your goal is to complete your online course in 1 semester. If there is a reason why you need more time, please talk to your online teacher.

3. I completed Learning Strategies in the past. What do I do?

Talk with your HUB teacher or email online@sd62.bc.ca. Explain when you completed Learning Strategies in the past and ask to be put in your courses in Brightspace.
